Randy becomes dependent on the food and Sharon network tries to compensate for her lack of her by transforming the weight of the form. He becomes dependent on the food and Sharon network tries to compensate for his lack of attention by transforming the weight of the form. Randy becomes addicted to the food and sharon network tries to compensate for his lack of attention by transforming the weight of the form. User Reviews 1 critic Review South Park VS The Food Network Randy has a new obsession. The food network, a channel that is fundamentally 24 hours of cooking shows. due to this, Randy starts trying to cook his gourmet foods. So he gets a job in the school cafeteria very much at Stan's anger. Try to get rid of him when he came to bodies flame and other food network celebrities and challenge Randy at a "throwdown" cook-off. meanwhile Sharon who thinks that Randy is no longer his attractive, he begins to solve and buy the " Shake-Weight ", a weight tool for women who look like giving a handjob. also NG with a robotic voice that gives compliments and asks her how she feels. > Watch Sharon clips Block food channels, so Randy turns into the hotline of the food network. A cooling gel is then released and the weight gives the cabbage rate. The episode has some very funny moments like when the Cartman impersonates Gordon Ramsey. I think this episode was another good Lighthearted way to end the season after the three-part epic episodes. This reflects the first half of the season in which he concluded with "paralyzed summer", a very strict and funny episode contrasting with the episodes "200" and "201". The episode, titled Creme Fraiche, sees Cartman dress like Ramsay and host a Hell's Kitchen-style show. Also includes Oliver - who just wants to make everyone "healthy" - sobbing in the corner of the school cafeteria over the diets of the pupils. The end of the series will be screened on Comedy Central this Sunday at 2200 GMT.
