Textbook Scavenger Hunt

Name: _____ Period: _____

Name of Book: _____

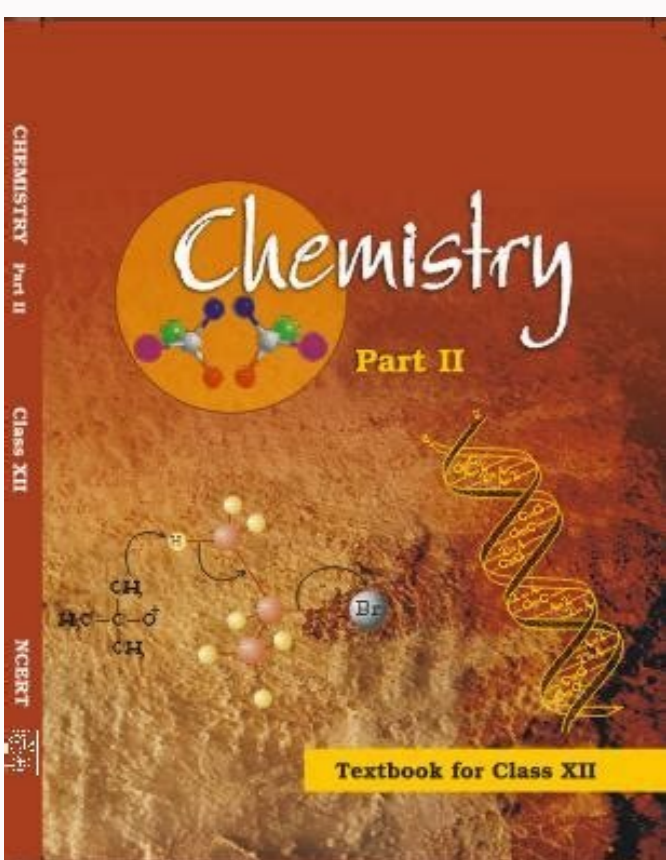

Author(s): _____

Publishing date: _____ Publisher: _____

- Look on the front cover of the book, to there is a "Title" _____ If so, what is the main purpose of the "title" _____
- Now, look at the Table of Contents or "Contents" section. How many "Chapters" are in the book? _____
- The Contents section lists the chapter sections and the dates at the end of each chapter. What do you find at the end of each chapter? _____
- Now, flip to the back of the book. Find the "Appendix" or "Appendices" (more than one appendix). How many appendices are there in this book? _____ List the appendices below writing what is in each one. For example, Appendix A: The Metric System. _____
- Some textbooks will have a section which gives answers to chapter questions. Does this book have that? _____
- Most books have a glossary (different words). Does this book have a glossary? _____
- Most books have an index before or first page, guide or index in the back. Does this book have an index? _____ How many pages long is the index? _____
- Now, go to the end of Chapter 1. Check off whether this chapter has any of the following at the end of the chapter: Key Terms _____ Summary _____ End-of-Chapter _____ True-False Questions _____ Working Questions _____ Word Problems _____ Critical Thinking Questions _____ Extra Spreads _____
- Now, look through Chapter 1. Is it divided into sections? _____ If so, how many sections are in the chapter? _____ Does each section have questions to answer at the end of the section? _____
- At the beginning of every chapter, what do you find? (explain whether there is an introduction, key terms, etc.) _____

Questions about this specific book: (your teacher will give you the questions)

- Find a picture of _____ What page is it on?
- Find the definition of _____ How did you find it?
- What is Chapter 10 about?
- Draw a small diagram of _____ What page is it on? _____ What does this diagram show?
